Dear Parents, Guardians and School Community,

The District received the Addendum #3 report from Langan Engineering & Environmental Services on October 27, 2017. The report is posted on the district's website.

The District is pleased the repairs and maintenance to the pool area mechanical units were successful. However; the auxiliary gym remains closed. We continue to work to open the auxiliary gym and plan to follow the same steps which resulted in the large gymnasium, locker rooms, and pool area opening.

Again, thank you for your understanding.

Sincerely,

A handwritten signature in blue ink, appearing to read "Hamlet M. Hernandez", is written over the printed name below.
