From: The Office of the Superintendent of Schools

On June 7, 2018 the Branford Public Building Commission (BPBC) and the Board of Education (BOE) will host a Groundbreaking Ceremony for the Francis Walsh Intermediate School construction project scheduled to commence this summer. The ceremony convenes at 9:00 AM and will take place outside along the Damascus Road building frontage.

The project team, comprised of Colliers International, Fusco Corporation, and Antinozzi Associates, have worked closely with the BPBC and BOE to make this long awaited project come to fruition.
